When We Stumble, He Restores Us

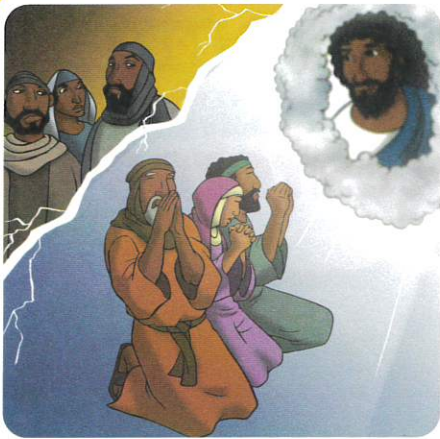

Lesson Scripture: Jude 17-25

Key Verses

[Jude wrote,] You, dear friends, . . . keep yourselves in God's love. (Jude 20, 21)

When We Stumble, He Restores Us

(Jude 17-25)

Jude reminded God's children that some people would make fun of their faith. These people are selfish. They do not love and follow God. They cause confusion and make God's children not get along with each other.

Jude told God's children to have *faith* (trust God.) They must show kindness to those who were unsure of what they believed. God would keep His children from falling and following what is not good or right. However, if they stumbled, God would restore them (or help them to stand) in His presence.

For the Parents

Dear Parents/Guardians,

In today's lesson, your child heard that some people would make fun of their faith. Jude reminded the believers to remember God's love and the Holy Spirit that lived in their hearts. He encouraged the believers to trust God to restore them if they stumbled. Review today's lesson with your child. Talk to your child about God's love for him/her. Encourage your child to remember that God is with us all.
